2019 ENROLMENT FEE

Our enrolment fee includes ballet shoes and socks for students to wear during class. The elastic is already sewn, so simply slip them on and you're good to go!

*Cost: \$55 for the year
(includes shoes)*

CLASS FEES

*\$15.00 per class
Classes billed termly
Due first week of term*

UNIFORM

There is no set uniform for our pre-school classes beyond footwear which is provided upon enrolment.

We recommend wearing comfortable clothing that children can move in. They're most welcome to wear their favourite dress-up as long as it doesn't inhibit movement. We love dancing with Superheroes and Princesses!

PETIT POINTERS

Petit Pointers is Queensland Ballet's (QB) early childhood ballet program for children aged one to five years. It is uniquely designed to stimulate the imagination, musicality and natural movement in each child. The classes are also a great way to improve coordination, strength, listening, language, and to promote fitness and physical wellbeing.

Set within a framework of storytelling, exploration and artistic play, Petit Pointers encourages personal expression and greater confidence. At the end of each term, children will have succeeded in developing some of the early foundational skills of ballet.

QB has developed Petit Pointers informed by the Australian Curriculum and Early Years Learning Framework. By participating in QB Petit Pointers, children will develop creativity and curiosity, empowering them to enter their first years of school with a positive disposition for learning.
